LETTER TO ALL BIDDERS

Subject: Florida Power and Light

Request for Proposal (RFP): Cooling Pond Soil-Cement Replacement Project

RFP #IJD08116

Addendum #2

BID DUE DATE: August 1st, 2016 5:00 PM EST

Bidders:

Addendum No. 2 is issue to clarify questions brought up about the pre-bid walk down by bidders.

- For the purpose of the initial walk down, we are limiting each company to two (2) representatives per company, due to seating constraints. We will accommodate additional visits on an individual basis over the next two (2) months for subcontractors and fact finding missions.
